

WE ARE OPEN UNTIL 10 PM WEEKDAYS AND 6PM SATURDAY AND SUNDAY

APPOINTMENTS ARE AVAILABLE AT THE CROOKES PRACTICE 6PM TO 10PM AND SATURDAY AND SUNDAY 10AM TO 6 PM

We have been a hub site since 2015 for the extended access in Sheffield and we are delighted to say it is very popular and services are being extended all the time. How do you get an appointment?

Call your GP practice during normal surgery hours and you may be given an appointment in a local out of hours centre if appropriate for your care.

Call 111 when your practice is closed and you will be assessed for the best service for you to use, you could be given an appointment here if that is the best place for you to be treated between 6.00 pm - 10.00 pm during the week and 10.00 am - 6.00 pm at the weekends.

The appointments can be with a GP, a Nurse Practitioner, a Nurse, a Phlebotomist or a Physiotherapist depending on your problem.

EVENING AND WEEKEND NURSE APPOINTMENTS

If you need a blood test, dressings changed, ear syringing etc did you know you can book in during the evenings and weekends here. Please tell reception you would prefer an out of hours appointment and we will be happy to oblige.
